

FREEMASONRY OPEN HOUSE

October 23, 2016

Scottish Rite Cathedral, Dallas, Texas.—51

Freemasonry is frequently listed as the oldest secret society in the world. We are not a secret society. In fact, Freemasons will open their doors in North Texas to the public on **Sunday, October 23, 2016, from 2:00 p.m. until 4:00 p.m.**

Texas history is rich with Freemasonry. In fact, every President of the Republic of Texas was a Freemason.

You have heard of the Texas Scottish Rite Hospital for Children. Have you ever wondered what the Scottish Rite is or how to join? You have heard of the Shriners' Hospitals for Children that treat children without regard for their ability to pay. Have you ever wondered how to become a Shriner? Have you ever wondered what mysteries were held by the Knights Templar? Freemasonry is the door to more knowledge about all these questions and more.

October 23, 2016, is a free opportunity to meet the men that make those charities work and to discuss these matters and explore your questions about an organization that is rich in history, tradition, and charity.
